MASONIC DIGNITARY HERE — The Right Worshipful Theodore Meriam, deputy grand master of Masons in California, will be guest speaker Sunday at the Lemon Grove Masonic lodge's annual Palm Sunday breakfast.
The breakfast, to be held at the Masonic Temple at 2590 Main st., Lemon Grove, at 7 a.m. is expected to attract more than 200 Masons, according to L.G. Masonic Lodge Worshipful Master Marland A. Long.
Chester Hobbs, secretary of the local lodge pointed out that Masons only may attend the breakfast this year.

Sheriff Nabs 4 With Checks Stolen In LG

Sheriff Deputy Robert Norton, his gun drawn, arrested an armed trio Monday suspected of being members of a burglary and forgery quartet. They were attempting to cash checks stolen from a Lemon Grove building supply firm.

Officer Norton arrested the three suspects in an El Cajon market parking lot after recognizing their station wagon from a description he received just a short while before.

The officer arrested two men and a woman. Later the fourth suspect was arrested in a Logan Heights apartment. He also recovered about 50 checks of about 500 that were stolen during the weekend from Waddington Sand and Gravel Co., 8246 Broadway, Lemon Grove Belle Waddington, of 8246 Jefferson st., L.G., had reported earlier that the checks, a check protector and a typewriter were missing.

Sheriff's Sgt. Robert Newsome, of the fraud detail said that his office had learned of the Waddington check loss at 8 a.m. Monday. By 10 a.m. a merchants' check warning system had been activated. The system is a fan-out one where merchants warn fellow merchants. At 11 a.m. the woman suspect attempted to cash one of the forged checks in a San Diego liquor store. A description of the woman and the car she was in was fanned out.

Within an hour Norton recognized the car and made the arrest. A .38 cal. revolver was in the possession of one of the suspects. The prisoners were identified as A. S. Rorabaugh, 24, Harlan Ridenour, 25, and Linda Waltemeyer, 22, all of Torrance, and James B. Cook, a transient.

Sgt. Newsome said the three had attempted to pass eight checks Monday and were successful in two cases.

Win A New Car And Other Prizes in Review-Bulletin Subscription Drive

Today The Lemon Grove Review and The Spring Valley Bulletin announced a gigantic "Everybody Wins" Subscription Contest, which offers tremendous prizes and cash for everyone who participates.

During these next few weeks, residents of this trade area will have the liberal opportunity of picking up extra cash for spending, and compete for valuable prizes as well.

First grand prize, to be awarded the contest winner on Friday, May 15, will be a 1964 model Falcon Futura four-door sedan, equipped with radio, heater and many other extras.

It will be delivered to the contest winner, complete with taxes, title fees and license tag paid. The prize beauty has been ordered from and is on display at Spears Ford.

Second grand prize will be $750 in cash. Cash prizes will be awarded third, fourth, fifth and sixth place winners as well.

There are so many ways in which a person who enters the contest can benefit. Weekly paychecks will be offered. Cash bonuses can be earned during this first week by hitting easily-obtainable quotas and big prizes are offered at the end of the contest.

Valuable Awards

Then, there are hundreds of dollars worth of valuable awards being offered by progressive local merchants who are cooperating closely with The Review and Bulletin in staging this most gigantic drive of its type ever to come to this area.

Details are simple. It's a combination subscription and trade expansion drive which will benefit everyone in this trade area.

Everyone who participates — the more aggressive men and women of this area and possibly an exceptional outstanding youngster or so — will win.

Generous 20 per cent commissions are to be paid weekly, assuring everyone of adequate compensation for his, or her work.

Get $100

And during this first week alone, The Review and Bulletin has a tremendous offer which easily makes it possible to pick up an extra $100 or more in cash.

All that is required to enter is to clip the entry coupon appearing elsewhere in a large double-page announcement in this issue. Then, there's the extra coupon, good for 100,000 extra points for those who get off to an early start.

Bring or send these coupons to Allen and Mabel Cooke, the campaign managers who have an office in The Homeland Publishing Co. Those who wish may phone them at 469-0101, for additional details.

Mr. and Mrs. Cooke, who have been active in newspaper work most of their lives, come to The Review and Bulletin highly recommended by other publishers throughout the Southwest for their campaigns.

They are residents of Arizona. Their firm, Liner Circulation Service, is nationally-known for its successful completion of many thousands of similar type campaigns over the past 54 years.

The Review and Bulletin states, without reservation, that this is the most generous, most attractive campaign of its type ever staged in this area.

Not only does everyone get paid for subscriptions turned in during the campaign, and they compete not only for the top prizes offered, but also for those beautiful merchandise awards that are explained more fully in another news story in this issue.

It should be understood, however, that winners of the two top awards, the 1964 Falcon Futura four-door sedan and the $750 second grand prize, are to consider their weekly advance commission paychecks in the light of "advances", which are returnable upon presentation of either of the two top awards, as The Review and Bulletin does not double compensate.

This does not apply to those who place in other top positions for awards, or to first week cash bonus award winners.

Nor does it apply to the weekly merchandise awards offered.

This is a business proposition, pure and simple.

Its purpose is to expand the ever-growing circulation list of The Review and Bulletin and to advertise Spears Ford, and the weekly merchandise "jackpot" awards, being supplied by the progressive Lemon Grove and Spring Valley merchants.

Most important of all, it provides a way for residents and readers of this area to profit during spare time effort these next few weeks.

Persons residing anywhere in this trade area are eligible.

Employees of The Review and Bulletin or their immediate families who live at the same residence, are not eligible to enter the contest. This also applies to persons wro have been employed by this newspaper within the past 90 days and to their immediate families.

The sooner the start, the better one's chances.

Allen and Mabel will be glad to furnish additional details, without obligation.

COULD YOU USE AN EXTRA $50 OR $100

Prizes aren't the ONLY thing offered in the attractive "Everybody Wins" Trade Expansion Drive.

How could you use an extra $50 or $100 cash right away?

It's easy. Simply obtain $125 worth of subscriptions to this newspaper during this next week, ending Monday, March 30. It will qualify you for a $25 BONUS award in addition to $25 paid on a 20 per cent commission basis.

It's not hard. In fact, it only takes 27 three-year subscriptions to reach the goal!

Major Improvements For Sweetwater, Skyline Roads

SAN DIEGO (CNS) — The preliminary road budget for 1964-65 given to the Board of Supervisors Monday contains two major projects for Lemon Grove-Spring Valley area plus many maintenance and widening projects for Lemon Grove and vicinity.

Skyline dr. is to be reconstructed and widened to 64 feet with a cost of $96,740 from Canton dr. to Alton dr. Surveyor and Road Commissioner David K. Speer told the board that the work will eliminate a very inadequate stretch on an important major road.

A $39,200 item provides for a new alignment of Sweetwater rd. approximately 1400 feet north of Jamacha rd. in Spring Valley. It is part of the state construction to provide 4 lanes of traffic from the new South Bay Freeway to Lemon Grove.

The preliminary budget calls for the expenditure of $8,463,891 for the fiscal year. The budget this year is $7,940,621. Much of the increase is accounted for by an increase in the highway user's tax which the county will get the benefit of for the first full year.

Improvements Lemon Grove and Spring Valley residents will get during the fiscal year include:

Massachusetts ave.: widen, north of San Miguel, $11,100; Kempf st.: widen 1/3 mile north of Lincoln, $40,000 for right of way for future construction; Sweetwater: rebuild, eliminate dangerous intersection, .71 miles north of Troy, $248,600; Lamar st.: resurface north of Austin rd., $509.

Murray Hill rd.: resurface north of High, $2,063: Shirlene pl.: resurface, north of Waite, $2,854; Washington: resurface south of Palm, $5,676; South Bay Freeway: right turn lane onto freeway northeast from Sweetwater, $3,094; Broadway: right of way between Sweetwater and Highway 94, .83 miles, $22,800; Sweetwater, new interestion, .71 miles east from Broadway, $11,000.

Buena Vista: resurface, south of Broadway; $3,975; Helix st.: resurface, 2.10 miles east of Rosedale dr., $16,054; Skyline: right of way, south of Alton, $65,000; Canton, resurface east of Skyline, $1,453; Dexter, resurface, west of Payton rd., $8,255; Sweetwater traffic signals at Jamacha, $12,750, and widen bridge north of Jamacha, $39,200, and widen shoulders 14 feet each side, $13,702; Washington st.: guard rail and traffic beacon at Canton dr., $3,050.

Fairway: resurface 1 mile south Broadway, $8,735; Canton dr., widen three feet each side, west of Washington, $1,767; Skyline: widen and resurface, .39 miles south of Alton, $96,740.

David Bird Seeks Seventh Term as County Supervisor

Second District Supervisor David W. Bird Friday filed nomination papers for an unprecedented seventh term on the County Board of Supervisors.

Bird, who lives in National City, has been in public life since 1923 when he was fire chief in National City. Twice he was unopposed for re-election to the board and in 1958 the voters returned him to office by the overwhelming margin of 40,708 to 13,290.

Earlier this month a possible rival for his post, John Dail of Lemon Grove, conducted a survey of the probability of unseating Bird. Dail declared Bird "unbeatable" and filed instead as candidate for an Assembly post.

Bird stressed his experience as an important qualification as well as his knowledge of the complex problems of county government and of the Communities and cities in his geographically-large district. The Second District includes the cities of Imperial Beach, Chula Vista, National City, La Mesa El Cajon and the southern, San Ysidro portion of San Diego. Bird's district also includes Lemon Grove, Spring Valley, Alpine and all of the unincorporated areas south and east of Chula Vista. The district swings eastward generally along the line of Highway 80 except for a jog northward to include Lake Cuyamaca.

Bird said, "I hope that I have been able to make a good contribution toward a county government that works hard for economy but not to the point that the services are inadequate. I believe, and this is not my opinion alone, that San Diego County possesses a government that compares favorably with any. Our operation here has often been referred to as a model".

Many Positions

Bird is well-known in the state and the nation because of the many positions he has held in connection with his position as supervisor.

He has been a director of the County Supervisors Association of California since 1944; president during 1949 and 1950, and has been treasurer since 1924.

He has been a member of the National Association of Counties since 1951; became a director in 1957; was vice president in 1959-1960 and president in 1961.

He has been a member of the Local Planning Advisory Committee of the State of California from 1958 to the present. This is an official advisory group to the state and is concerned with planning for local jurisdictions.

He is a member of the National Defense Executive Reserve, a Federal program designed to provide continuing government in the event of a national emergency.

He was first elected to the Board of Supervisors in 1940 after becoming experienced in local government on the National City Council where he was first elected in 1924 and served as mayor from 1934 to 1940. He has served as chairman of the five member Board of Supervisors seven years.

SUPERVISOR BIRD

Lodge Member

He has been a member and officer in several private organizations. He is a charter member and past president of the National City Kiwanis Club, a Shriner, member of Southwest Lodge F. & A. M., charter member of both Robert H. Scholler Post of the Veterans of Foreign Wars and the Kenneth Blanchard Post American Legion and is a past commander of the VFW group.

Bird and his wife Margaret have been married 39 years. They have three children and nine grandchildren, all living in San Diego county.

In 1947, Bird, as chairman, cast the deciding vote to create

You Can Get Relief From Welfare

Does your service club want a good project?

There's one crying for sponsorship which would fit within the tenets of most clubs, and would serve humanity and the taxpayer, too.

The idea for the project was given Sunday at a meeting of Sigma Delta Chi, the professional journalistic society, when members heard the district attorney's office complain that no group in San Diego County is showing interest in welfare fraud nor in legislation which would require welfare to open its books to the public in line with the public's right to know. He said a public Welfare Review Unit, with proper powers, could change that.

The speaker, Albert Wells, supervising deputy of the district attorney's family support division, said that not only was the public denied knowledge of what is done with his money, but welfare workers, improperly trained to detect fraud, follow the philosophy of "how much money can we give the client?"

Wells said that groups other than those which are welfare oriented could change that. At present, there are only groups seeking to make welfare even more generous.

Homer Detrich had reported at the same meeting that only 3 out of 100 cases produced evidence of fraud. "They are the same people who beat charge accounts and credit

"Everybody Wins"

PLAN IN BRIEF

The object of this big "Everybody Wins" prize contest is three-fold. Primarily to increase the already large subscription list of this newspaper, to collect advance subscription payments from present readers, and at the same time afford local wide-awake, energetic men and women (married or single) and young people of this trade territory an opportunity to profit in a BIG way through whatever spare time they might have during the next few weeks. So, it is a plan that works both ways, and to the ultimate goodof all concerned.

In order to gain this end quickly and effectively, the most attractive and altogether desirable awards ever offered by any newspaper in this section have been made ready for distribution among those who participate most actively. Ambition and energy are the only requisites for success.

Let it be understood at the very outset that this is not a "lucky drawing" nor something-for-nothing affair, but a strictly legitimate competitive proposition for enterprising men and women, and one in which all active contestants will receive a liberal commission check each Tuesday morning covering results obtained by them during the past week, while striving to win one of the major awards. An outstanding feature of this big contest is the fact that "Everybody Wins." There will be no losers in this race.

HOW TO ENTER — WHAT TO DO

The first thing to do is to clip the Entry Coupon appearing on the opposite side ofthispage, fill in your name and address and mail or deliver in person to contest department at once. This coupon starts you in race with 5000 FREE votes; and, by using the Early Effort coupon appearing in front page of this issue with your first subscription (this coupon good ONLY during first week of contest) you would then be entitled to an extra 100,000 PREMIUM votes for taking IMMEDIATE action—all of which speeds you on your way to win. Only ONE such Entry Coupon and Early Effort Coupon will be accepted for each participant.

The next step is to obtain for contest department one of the little special receipt books, printed for the purpose, partial list of present subscribers showing expiration dates, etc. Thus equipped, you have but to see your friends and neighbors, relatives and acquaintances and ask them to subscribe to this newspaper through you. Just remember this: Anything worth having is worth striving for. Six and a half short weeks and you may be riding in YOUR OWN big automobile for a long, long time to come, or otherwise several hundred dollars richer in purse as the result of a little well directed effort NOW!

Then, too, as more fully outlined below, this newspaper offers "early starters" substantial special cash prizes for substantial results during the very first week of thiscontest, the small requirements necessary to qualify as a winner being easily attainable and well worth the little extra effort it requires. Try it and see

HOW TO WIN THE BIG PRIZES

It takes votes to win the big prizes, and they are secured in the following ways: first by clipping the free vote coupon appearing in this newspaper. Begin gathering them NOW while they are good for 100 votes each. After next week these coupons will be reduced to 50 votes each; the following week to only 10 votes each, and after that they will be discontinued entirely. Only ten coupons of each denomination will be credited to any one contestant and they must be cast within one week afterpublication.

Another, and much faster way, to accumulate votes in our "Everybody Wins" prize contest is by securing new and renewal subscriptions to this newspaper. Votes are issued on each subscription secured, the number varying according to amount paid and during which "period" same are received at the contest department. SEE SCHEDULE OF VOTES BELOW.

EARLY START MEANS EASY FINISH

The advantage of an early start are manifest. This "Everybody Wins" prize contest is of such short duration that immediate action is necessary for greater success. Subscriptions taken during the early part of drive not only carry the MAXIMUM number of votes, but ::early starters" who are first in field will undoubtedly get the "cream" of new and renewal subscriptions, while those who put off starting until a later date will of course have to take what is left.

Don't lose valuable time "waiting to see what the other fellow is going to do" but get into the game today, without delay, and show the "other fellow" how to do it!

"Everybody Wins"

RULES AND REGULATIONS

1. Any reputable resident of this city or surrounding territory is eligible to enter the contest and compete for prizes and receive weekly commission checks.

2. No salaried office employee of this newspaper is eligible to enter contest. This does not apply to country correspondents.

3. Winners of main prizes will be determined by (a) their earned votes, said votes being represented by ballots issued for bona fide new and renewal subscriptions, and (b) free coupons clipped from this newspaper—said coupons to be printed in this and our next three issues in denomination of 100 votes each this and next week; 50 votes each the tihrd week, 10 votes each the fourth week and then discontinued. No more than ten coupons of each denomination will be credited to any one contestant.

4. Participants in this subscription drive are not confined to their own town or community in which to secure new or renewal subscriptions, but may take orders anywhere in this section; or, for that matter, anywhere else.

5. Votes are issued free. It costs the subscriber nothing extra to cast their votes for any contestant. Votes must be asked for at the time of paying subscription, however, otherwise subscriber waives this privilege.

6. Votes once issued are not transferable. Contestants cannot pool their votes in favor of another contestant. Should a contestant withdraw from the race, his or her accumulated votes will be cancelled.

7. Any dishonesty or collusion on the part of contestants to nullify competition, or any other combination formed to the detriment of other participants or this newspaper will not be tolerated.

8. Exact vote standing of each contestant will be published in this newspaper in proportion to earned votes; however, votes issued in the form of ballots, or special votes therefor, may be held in reserve by contestant only insofar as it does not affect position in published standing. The free vote coupons, clipped from this newspaper, must be cast within one week of publication.

9. In event of a tie for any one of the prizes offered, an award of identical value will be given each tying contestant.

10. Participants in this drive are authorized to accept new and renewal subscriptions and give temporary receipts for same (official receipts will be sent direct from this office) but it is understood and agreed that they will be responsible for all money collected and will remit such amounts in full to the contest department or regular report days.

11. No statements or promise make by any representative or participant varying from the rules and regulations appearing in the columns of this newspaper will be recognized by the publisher.

12. In case of typographical or other error it is understood that neither the publisher nor contest manager shall be held responsible except to make necessary correction upon discovery of same.

13. All active participants will be paid twenty percent cash commission ($1 out of $5) of their individual subscription collections each week as it accrues. It is to be understood, however, that in the event any contestant become inactive (failing to make weekly reports) his or her name will be removed from the published list of contestants until such time as participant again becomes active.

14. It is understood and agreed that the winners of first and second prizes will consider their weekly pay checks in the light of an "advance," which are returnable upon presentation of prize—thus obviating double compensation. This does not apply to third, fourth, fifth and sixth bonus check winners.

15. To insure absolute fairness in the awarding of prizes, the race will be brought to a close with a sealed ballot box. During the entire last "period" of the drive, a ballot box — locked and officially sealed—will be placed in the vaults of a local bank, where contestants themselves may deposit their final collections and reserve votes in utmost secrecy. In this way no one—not even the publisher or contest manager—can possibly know the actual strength of the various participants, which precludes any possibility of favoritism and insures fairness to the minutest degree.

16. Twenty-five thousand extra votes will be given contestants for each 5-year subscription (or extension for previous contest subscription payment to 5-years) turned in by them during their first week in contest, and during third week of the drive half as many special extra votes will be issued on same basis.

17. Any subscription once turned in can be extended during either first or second "period" by making extension payment, and remainder of votes will be issued thereon same as if full amount had been paid at the very beginning.

18. Any contestant who earns as much as $50 in commissoins during their first week of the drive, will receive and extra bonus of $25 cash in addition to regular commissions earned or any other special prize won.

19. Ten thousand free "report day" votes will be given participants making a subscription report on Mondays, Wednesday and Fridays during drive.

20. This newspaper guarantees fair and impartial treatment to all participants, but should any question arise, the decision of the Advisory Board will be absolute and final.

21. In becoming a member of this "Everybody Wins" prize subscription drive contestants agree to abide by above conditions.

22. Special Vote Ballots will be issued on a schedule elsewhere in this page, based on weekly turn-ins of each worker during first and second periods.

23. Merchandise "Jackpot" gifts to be awarded active contestants on basis to be announced each week, ending on Mondays.

FAIRNESS ASSURED!

Advisory Board-- It is the sincere aim of this newspaper to conduct this campaign from start to finish in a fair, honorable and impartial manner. Every precaution has been taken to safeguard the interests of participants, and absolute honesty in all dealing is guaranteed.

However, not all wisdom lies with any one man or institution, and for that reason an Advisory Board has been decided upon, whose functions shall be to decide any question of sufficient moment that might happen to arise, and from which a committee shall be selected to act as judges and award the prizes.

JUDGES WILL BE ANNOUNCED LATER

All of these gentlemen are well known to everyone in this vicinity and the final results, as given out by them, will be beyond dispute.

the office of the Chief Administratice Officer. Bird gives this office much credit to maintaining the high quality level of county government.

Bird is also proud of his contribution toward getting the first aqueduct built to deliver Colorado River water to San Diego county. He was one of those who worked to get cities and districts to form the San Diego County Water Authority which made it possible to build the vital aqueduct.

During Bird's servie on the board, the county has found it necessary to go to bond issues only three times — for the courthouse, hospital and Juvenile Hall. Bird said, "Despite these large bond issues, this county has one of the lowest tax rates of any county in the state. In 1963, our rate was 54th out of 58 counties."

Bird said, "You can't be in government very long before you realize that it's difficult to please everyone at all times. We do our best along this line and I think the board realizes how important every problem is to the people involved. I have always sought the most equitable solutions although this is not alway easy.

"I have, from the time I was first elected to the board, worked for this county full-time. I am looking forward to doing so for the next four years."

Alibi Burglarized

Intruders entered Club Alibi at 7286 Broadway, Lemon Grove, by way of the roof and took $100 in coins from the cash register and coin-operated machines, William Coleman, the cafe operator, told the sheriff's department. Entry was gained Sunday through an air vent.

Man Here Loses Girl Friend Car and Furniture

Paul J. Yementes, 28, a stock clerk who lives a 7555 Pacific, Lemon Grove, complained to the sheriff's office for the second time this year.

The first time was Jan. 27, when he said a young lady, 23, who had been living with him as his common law wife, had left his bed and board which was then at 7544 San Miguel, L.G. and had taken his 1960 model Austin-Healy auto without his permission.

While Yementes was moving from San Miguel to the Pacific street address during the weekend, his home was entered and a refrigerator, a gas range, men's various wearing apparel, a 9x12 rug, a portable barbeque, and a wooden bed were taken. His loss, he said, amounts to $800. He named his former apartment-companion as the suspect but he didn't know where she is presently living.

Victim Finds Tools At Swap Meet in Bosonia

"I bought them for $10 from some guy in Lemon Grove." That's how Paul Frederick Weber, an 18-year old student, told Sheriff's Deputy Claude Smith Sunday he came into possession of two Black and Decker drills, and other tools. He had them at a swap meet in Bostonia Sunday.

Officer Smith brought Weber, who lives in Lemon Grove at 1750 El Roy, to the L.G. sheriff's substation where Weber is reported to have admitted taking the tools from the garage of Wayne Danuser, of 1568 Tarleton, Spring Valley. Weber implicated Alan Frida, 17, of 1640 Skyline, L. G., who was picked up by Smith and deputy J. L. Scott. Between the two suspects, Smith and Scott recovered four sleeping bags, a tool box, and various tools some of which were taken from the home of Marion Gwynn, 1564 Bakersfield, Lemon Grove.

Danuser who had reported his loss to the Sheriff a few days earlier was checking the swap meet. He recognized his tools and informed the sheriff's department. The pair was rounded up and Weber was charged with grand theft.

VALUABLE BIKE STOLEN

A bicycle valued at $125 was stolen from Curtis James Hartzell, 13, of 1775 Ensenada st., Lemon Grove. He had parked it in an alley nearby at about 8:30 p.m. Thursday. When he returned it was gone. Serial numbers were listed at the sheriff's department.

22 WINDOWS & A B-B GUN

Youngsters with pellet guns are believed to be responsible for the breaking of 22 windows recently at Vista La Mesa School.

Principal Clarence Allen did some detective work and came up with the names of several likely suspects. He turned them over to the sheriff's department and reported the $187 loss to the L. G. School District.

TIRES TAKEN

Three tires valued at $37.50 were taken from the lube room of the Richfield station at 10-605 Campo rd., Casa de Oro Friday. The tires were thought to have been taken Wednesday or Thursday.

RENT NOW - PAY LATER

A rent-it-yourself fan paid Jim's U-Rent $8 cash in advance for a two-axle trailer for one-day's use. The renter, who claimed to Robert Hallman, of 7667 Circle dr., Lemon Grove, that he was Osa Lee Hollon who lived at 8565 Waite Dr., L.G., said he only wanted to use it for one day. That was two weeks ago. Hallman told the sheriff's department Friday that the address was wrong and that a telephone number was ficticious. The culprit drove a 1950 Buick, he said.

"They were hardly able to talk at all," the officer said because they were allegedly under the influence of alcohol. Not only that, "but they could hardly walk either," he added.

So Stanley Howard Smith, 41, a barber, of 7575 Pacific st., and Harold Glen Crawford, 64, a gasoline station attendent of 3730 Harris st., were booked by officer Dodson on a drunk charge.

The district runs from Mass. to 69th and includes Berry st.

The cost will be $123,000 with a front foot cost about $6-$7.

The protestors are owners of parcels along 69th. The sewer will run along the rear of their long lots and would be of no use to them, they claimed.

LETTERS TO THE EDITOR

Dear Editor:

Last week you published a letter from John Baxter, that calls for an answer. He says he is representing the "Ministers Committee in Support of Public Schools". Does this mean they give more support than we other taxpayers do? These titles get a little confusing sometimes. Then may I ask what ministers does he represent? I could get a long list of ministers together also, who take the opposite stand to his letter. He uses the term "we" all the way thru, which sounds like a large group, but of course, could stand for two or more.

To quote his first paragraph he states, "For men to attempt to include or exclude our Sovereign God from the classroom is both presumptuous and blasphemous". To me, that is double talk. And blasphemous is a big strong word, but does it apply to that statement? According to Webster, to blaspheme is "to revile or speak reproachfully of God or anything sacred".

Mr. Baxter attacks the recall petition as expense to the taxpayer. He wants to remind us that we are spending this money for politics that was planned for education. Politics? Since when is standing up for Almighty God politics? Which party pushes this? I'm sure your readers would be eager to join. Just out of curiosity, would he tell us an assumed cost in an itemized list? His concern for we taxpayers is nice though and I wish it included concern for our children's spiritual treasurers.

This committee hopes, according to the letter, to introduce more religion in schools via "our religious heritage, the contribution of various religious groups to our national life, and the basic religious viewpoint of our Constitution, including that there should be no establishment of religion". I may be wrong, but I always thought that meant no special denomination or state religion, not leaving out reverence altogether.

I do not ask that you should introduce new ways to bring religion (in a vague, watered-down sort of way) to the little minds we parents entrust to you. I ask you to be really BRAVE and use the word God (out loud) and show reverence in your attitude that will be a guide-line for these innocents.

As for the recall petition being "unjustified harrassment" of these 3 school board members, I take exception to that. Several hundred parents KNOW it is justified and there is no "harrassment" in getting together a legal recall document. It is the ONLY recourse for those who love their children, want to protect them from being indifferent to God, and who are sick of being "a nation of sheep" in allowing a handful of atheists to change our tried and true ways of life.

If Mr. Baxter would read national news he would see that this is not just a local protest. All America is waking up in violent reaction against the prayer ban. Rep. Frank E. Becker, (R.-N.Y.) had, as of last Tuesday, all but 77 of the signatures needed to bring this up before the House and Senate for a repeal. Another movement, called Project Prayer, 1717 North Vine Street, Hollywood 28, Calif., is going strong. It is headed by such well known figures as Walter Brennan (Grandpa McCoy) John Wayne, Ronald Reagan, Roy and Dale Rogers, Rhonda Fleming, and directed by a disabled war hero, Sam Cavnar.

A recent Gallup Poll shows more than 70% Americans endorsed prayer in schools. We Americans have two tender spots: our children and our pocketbooks. Step on these and the most apathetic will turn tiger. In all this controversy one question remains in my mind. Which came first, the Supreme Court or the Supreme Being?

Sincerely,
Mrs. Leo McDade

Army Recruiting Offers Easter Vacation Plan

The U S Army Recruiting Service announced a special Easter vacation plan for the convenience of men and women who will graduate from high school in June.

This program is designed to provide seniors with advance information to assist them in making career plans following their graduation.

According to Sfc Ralph M. McNeill of the Army Recruiting Station at 8101 La Mesa Blvd. in La Mesa, "Senior men and women will be processed during this school vacation period and informed of their qualificatons for various technical and educational opportunities. This is a realistic approach for their after-graduation plans and aspirations."

J.C. Board Raps Districts Bill

Disapproval of the Unruh Bil AB 46 was expressed by the Grossmont Junior College District Governing Board in a regular meeting held Monday night. A resolution passed by the board stated that it wishes to make public their opposition to the proposal to establish county - wide school districts or to establish county school districts which would include the areas of the county not already in chartered cities as proposed in the Unruh Bill.

The board heard a report from the campus architects, Richard George Wheeler and Associates, that campus construction deadlines will be met to permit campus occupancy this fall.

Condominium Started North of Lemon Grove

Ground was broken last week for a 70-home unit of La Mesa Townhouses, being built on 70th st. between University and El Cajon blvd. The houses will be owned in common around a green area.

The units will be two stories high located in clusters in 14 separate units.

The project, called a condominium by the promoters, will offer homes for $14,000 to $16,750. A swimming pool, clubhouse, visitor parking and landscaping are provided.

Amos Sommers and John Poutous are the developers. Sommers said at a breakfast meeting as part of the groundbreaking ceremonies last week, "(La Mesa Townhouses) is an answer to encroachment of blight areas to the suburbs. It shows that private enterprise can be used to combat federally supported urban renewal type projects."

cards," he said. He asked that the whole program not be condemned because of the trickery of the few. "These people need help because they can't make it on their own in society," Detrich said. "We've got to take care of them and at the same time look to society to solve the problem by which they were brought to this position," he added.

Wells called for a Review Unit of lay people with the right to fully open welfare books. He said service clubs can make enough noise to get legislative action.

He said that through a welfare review unit the public would know what it is entitled to know — whether welfare is fostering adulterous relationships, whether welfare money is misspent for liquor, colored telephones, vacations, upkeep of boy friends, big hi-fi and teevee sets and other luxuries.

The project would be a well defined and useful one. Projects chairman should get in touch with Mr. Wells at the District Attorney's office for specific projects. Bell-weathering for the Welfare Review Board concept, we think, should be one of the foremost projects of this day and age.

What Incorporation Is All About

Lemon Grove incorporation, and for that matter, the incorporation of Spring Valley, is more than just a whim of some local people who want to have a hand in running the town.

Burke Ormsby, program director for KOGO, brought about an interesting observation about it from the State Office of Legislative Counsel. Legislative Counsel Angus Morrison's reply to Ormsby's query tells more about the need for incorporation in a paragraph than we could in considerably more space.

Ormsby, who is sending KOGO cameras to the Lemon Grove Men's club Friday to document some of the local background on incorporation's pros and cons, had contacted Morrison earlier with a question "What were the basic reasons for introducing the local agency formation commission in 1963?".

In the final paragraph of Mr. Morrison's answer was summed up precisely what the issue of incorporation is all about.

". . . if the area of Lemon Grove does not incorporate, and a portion of it is contigous to the boundary of San Diego (which it is) it is quite possible that even though annexation of the entire area in one proceeding might be defeated, the gradual annexation of portions of the area over a period of several years could eventually result in the whole area becoming a part of the City of San Diego."

A Return To The Farm

If we become a rancher, it'll be Howard Keddie's fault.

Keddie conducts a radio program, "Home on the Range" each morning over radio station KFMB.

We became enchanted with the program when it was changed from some unearthly pre-dawn hour to a more reasonable 6:10 a.m.

The program, as we see it, is the only contact the local consumer has with the producers of San Diego county's 100 million dollar a year farm industry.

The easy-going conversational style program, often featuring one of the county's ranchers, helps overcome the feeling of futility we have acquired from making shopping forays into the clinical and personality-less recesses of modern supermarkets. Listening to the program reminds us again that hens have to be cared for and fed before the fruit of their labor can be gathered in a bucket. We had forgotten about "sticking" tomato plants or culling the leaves of lettuce.

In the supermarket, eggs come in colorful packages which implies that a huge electronically operated mill produces both the carton and the eggs at the same time. The tomatoes in today's market, symetrical in size and color, suggest that they did not come from the earth but from some glass-walled laboratory. You can't even find a baby caterpillar among the leaves of today's market-displayed lettuce to denote that the rich soil, the warm sun, liberal doses of fertilizer and the rancher's tender care were all combined to produce the tender and succulent little leaves.

All that comes back to you on the Keddie program where the announcer reminds you the Keddie has been on the air with the same kind of program for the past 17 years.

Using the producer-to-consumer program as a backdrop for the knowledge that San Diegans grow $33 million worth of tomatoes a year and San Diego hens grind out $20 million worth of eggs, and that ranching is the fourth most important industry in San Diego county, it is our belief that this, and perhaps other similar programs, can be exhiliarating and useful to us consumers.

Girl Scout Chatter

By Mary D. Giacinto

Thursday, March 26 — for one day only — there will be a showing at 10 a.m. and at 12 noon at the Helix Theatre in La Mesa of "Tammy Tell Me True" and a happy cartoon. This is a project of the Girl Scouts of District 10 which covers Casa de Oro, Spring Valley, Oaknells, and Lemon Grove.

Lee Davis, the chairman of the Special Events Committee chose this particular day for the movie because the children are on Easter Vacation. Thelma Puterbaugh, secretary treasurer of District 1 has aided Mrs. Davis. The price of the movie is 50 cents for both children and adults. Tickets are already available to each neighborhood chairman for disposition by leaders to the Girl Scouts and interested friends. Get your tickets early so you won't be disappointed. If there is any question call Lee Davis. 466-2361. Doors will open at 9:30 a.m. and, naturally, the earlybirds will select the best seats.

The proceeds from the movie will be used for supplies and scout equipment, but the main reason is to send a delegate to the convention once every three years. It is only in this way that we can have a voice in the great Girl Scout movement. The delegate takes the wishes and opinions of District 10 to the convention. There she has the opportunity to vote on important matters. She also takes back with her a wealth of ideas and knowledge to improve the Girl Scouting in our own District 10.

FOUR WEEKS FOR INCORPORATION

Final Extension Given S.V. Petition Passers

SAN DIEGO (CNS) — The County Board of Supervisors Tuesday granted a final 30-day extension for the circulation of incorporation petitions of Spring Valley.

The normal 120 days for the circulation of petitions ran out in January and the board has twice before extended the time. Proponents of the incorporation must get signatures of owners of 25 per cent of the assessed valuation on the petitions before the board can call the election.

The entire back half of the board meeting room was filled with people, about 50, who wanted the incorporation movement stopped. If the board had gone along with them, a year would have to elapse before another incorporation movement could begin.

The board indicated that there will be no further extensions of time.

The hearing was informal in the sense that it was not an advertised public hearing and there was no one in the audience who spoke in favor of the time extension. Proponents were probably not aware that even the informal hearing would be held.

Ed Fackler, a La Presa real estate man, told the board that the incorporation was wrong because it included three separate areas, La Presa, Casa de Oro and Spring Valley. He claimed that he has petitions of many property owners asking exclusion from the proposed city.

He claimed that real estate transactions have fallen off because of the uncertainty about the future.

Nina Ray, Casa de Oro developer, said, "I know for a fact that the majority of the residents don't want incorporation."

She said that the citizens like the county government and don't want any changes.

The board indicated that the extension was granted because the proponents did not have a chance to be heard and because a similar extension was granted in Lemon Grove last week.

Victory Dinner Planned For City Petitioners

Less than 800 signatures are needed to complete the incorporation petitions in Lemon Grove it was announced here this week by the committee for Incorporation.

More than 30 petitions are still out, the Committee reported and the circulators are being urged to get them completed and turn them in for the final tally.

The County Board of Supervisors has set April 16 for the deadline for completion. If they are completed by the deadline, residents should have an opportunity to vote for or against cityhood within three months, members of the committee observed.

The Committee is comprised of Ray Brehm, Charles Buckles Jr., Dr. Frank Gigliotti, Jesse Lee and chairman, Frank Armstrong.

The petitioners will receive awards at a Victory Dinner planned at the completion of the drive. Any citizen wishing to take an active part in this campaign may secure a petition from the office of the chairman of the Incorporation Committee, Frank Armstrong, 7811 Golden ave., Lemon Grove. Areas that have not been contacted thus far will be assigned together with the omission of those who have already signed on a given street.

Jet Flys Film For Program At Men's Club

The Lemon Grove Men's Club got a preview of the New York World's Fair by way of pictures flown from Chicago expressly for the Friday meeting.

United Airlines, through Jesse Lee's Travel Bureau, had agreed to put on the program but found Thursday night that the slides were in Chicago. A phone call got the film on a United jet and the pictures got here with time to spare.

At the same meeting, the club unaimously indorsed one of its members, Robert Vaught, for re-election to the Lemon Grove Fire Commission. The election is slated for April 7. Two others are trying for the unpaid post.

The program Friday will be an Open Forum, John Dail, the club's president said.

As a separate part of the activities Friday. Television channel 10 will have cameras on hand to film a discussion on incorporation of Lemon Grove.

Bill Dougham, a real estate man living in Lemon Grove will speak against the issue. Robert Vaught, a businessman, will favor it. Burke Ormsby, program director of KOGO (10) said his station is doing a documentarf on how a community's citizens feel about possible cityhood. John Bridger is program chairman for the Men's Club.

The program is open to all men of the area and starts at noon at Michael's Cafe in Lemon Grove.

Faulwetter Pulls Out Of Congressional Race

William C. Faulwetter, La Mesa attorney and Republican candidate for election to congress from the 37th Congressional District announced his withdrawal from that race Tuesday in favor of Dick Wilson, the party's nominee of two years ago. Faulwetter urged Wilson's re-nomination and indicated that he was joining Wilson's campaign organization.

"In announcing my candidacy against Congresman Lionel Van Deerlin, I stated that the 37th Congressional District could no longer afford inept and innocuous representation in Washington. My primary purpose in entering the race was to insure the defeat of Mr. Van Deerlin. The predominance of registered Democrats over registered Republicans in the 37th Congressional District makes it apparent, however, that if Mr. Van Deerlin is to be unseated, it will only be by a Republican party solidly united behind a candidate of proven vote-getting ability and wide appeal.

"The entry of Dick Wilson into this campaign has given us such a candidate, and it is in the interests of party unity and Republican victory that I withdraw my own candidacy in favor of Mr. Wilson's I expect to join Mr. Wilson's campaign. I will work for the election because I believe that the defeat of Mr. Van Deerlin is the paramount consideration in this race. I urge all Republicans to do likewise.

"In withdrawing, I would like to acknowledge publicly those friends and supporters of mine who have been so generous with their time and efforts in behalf of my candidacy. Everyone associated with my campaign has my most sincere and heartfelt thanks. I ask now that they continue their efforts in behalf of Mr. Wilson and Republican victory in November."

Pictured above is Barbara Brierley and Shari Redka, two service representatives in your La Mesa telephone office. They are always ready to answer questions about your bill and help you with your telephone service

Barbara lives in La Mesa and is a native of San Diego. She attended Helix Hi and San Diego State before starting with the telephone company in 1961. Shari also started with the telephone company in 1961, after a year at Pepperdine College. She and her husband, also a telephone employee, live in El Cajon. They are expecting a small addition to the family this summer.

We wanted you to meet Barbara and Shari because we think they are typical of people we like to have working for you—bright, personable, and like to help others.

Ever try a get-together with friends or relatives in different cities at the same time? All you have to do is ask the operator to set up a long distance conference call.

Don't let the name "conference" scare you, though. It just means that everyone on the line can talk and listen to everyone else.

So next time you want to round-up the whole family, try a conference call. It's almost as good as being under the same roof.

Here are two mighty important dates you'll want to jot down: April 9—This is *the deadline date for registering* to vote in the California Primary Election. If you haven't registered, why not do it soon, so you can help select those candidates you think best qualified.

June 2—*Election Day*—the day to exercise your priceless privilege and responsibility to vote.

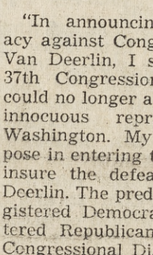
LeMac TV Service
466-8832

Many things have happened since LeMac TV Service expansion a year ago that we want to report to you.



First, we decided to personally handle all local calls on sales, service and antenna installation right here at my shop — at 3562 Grove st., in Lemon Grove. My telephone number is HO 6-8832. Stick this announcement in your TV, stereo, hi-fi or radio set for future use. We'll fix or replace any one of them at sensible prices.

Next, the California television licensing Act recently became effective, and we believe it will help get some of the semi-skilled repair people out of the business. That is good for you because you will not have to pay us to fix it after you have paid someone else to work on it. We are qualified professionals (as the Act requires) and we have been in the business since 1936 (almost 28 years).

We are also members of the famous PEET organization. That name stands for Photofact Electronics Equipped Technician. PEET training and equipment make good their slogan: "The PEET man knows your set best."

If you have an electronics problem, call us at HO 6-8832. It doesn't cost anything to talk and we're willing if you are.

GOD'S MINUTE

REV. H. C. BAKKEN

"THE CHURCH"

The "Church" was bought with the blood of the Lamb. Our Lord fulfilled the demands of the Law by a perfect life for us. But the Law demanded more. It demanded the death of the Law-breaker. Therefore, on Friday of Passion week, He gave Himself into the hands of His enemies to be crucified. He died in our place.

Local Firms Offer Values For Contest

Leading business firms have joined with the publishers of the Lemon Grove Review and the Spring Valley Bulletin in staging an "Everybody Wins" Subscription Contest, awarding attractive weekly prizes to contestants who participate in the program. They are noted in the jackpot award ads carried in the main contest advetisements.

They have offered their customers, friends and buying public a number of weekly special merchandise offers which are also included in the jackpot award ads.

The merchants have agreed to make these specials "really special" and you will find their offerings are certainly money savers and "way out" values. Different specials will be offered each week.

The firms who are giving the jackpot awards to the contestants and the merchandise specials for you include "McMahan's Furniture, Patricia's, Lemon Grove Camera, Bowlero Pro Shop, B.F. Goodrich, Brumley Shoes, Brouillard Hardware, Morrison - Adams Jewelers, Spears Mobile Station, Massachusetts Lumber and Homeland Publishing Co.

SATURDAY OPENING SET — Among those who will take part in the opening of the new Horseshoe Tavern Saturday are Ted Fetters, Mrs. and Mr. William Talman, and Mrs. Fetters. In the foreground is race horse trainer Bob Sinne. Talman is star of the Perry Mason Show as Hamilton Berger. The Fetters are owners of the Horseshoe. Sinne trains horses at Caliente track. Among those he trains are the Fetters' stable of horses.

TEEVEE, FIGHT STARS TO ADD GLITTER TO TAVERN OPENING

Bill Talman, teevee's most unsuccessful prosecuting attorney, and Joe Louis, the world-renown boxer whom present day boxing stars could do well to emulate, will be in Lemon Grove Saturday to give Ted and Estelle Fetter's new restaurant a send-off.

The restaurant, the Horseshoe Tavern, at 7664 Broadway, opposite Mayfair Market, will mark its grand opening with food, prizes, entertainment and corsages — all free.

The food for the opening will be a dining room-long buffet which will be uncovered about 11 p.m., shortly after Joe Louis and Talman are expected to arrive. Talman is presently working on the Perry Mason show. Louis is moving into a newly finished home near Loe Angeles.

Reservations for Saturday will be for dinner only, Mrs. Fetters said. The buffet will be served without charge but dinner, starting at 5 p.m. will be at menu prices, she explained.

The restaurant, which was formerly Club Venezia, and later the Horseshoe, will undergo another name change when the winners of a contest for a new name have been decided.

Corsages will be given to all the ladies Saturday. These are being supplied by John Dail, an insuranceman, and Ann Kiss, operator of the L.G. Florist.

Lucky number cards have been distributed in the Lemon Grove-Spring Valley area and a list of prizes will be given to winners of that contest.

Prizes include jewelry by Walters Jewelry; an electric blanket by McMahan's Furniture; a clock-radio by B. F. Goodrich; dinners by Horseshoe Cafe; 3 lubes by Molly's Texaco; a year of lubes by Spears Ford; a live monkey will be given by the Grove Pet Shop; transistor radio by Morrison-Adams Jewelry; 10 sundaes by the Dairy Queen and five pizzas from Sam Pernicanos. Several other prizes from local merchants.

The Fetters couple has successfully operated a restaurant in Lemon Grove for the past 17 years. Pal's, at Imperial and Lester, has been the headquarters for the sporting element during most of that time. The couple will continue operating Pal's and will alternate their time between there and the new place.

The Fetters purchased the Horseshoe in November. Immediately thereafter they acquired the adjacent building which has been remodeled into a banquet-dining room. The room will also be used for dinner meetings and private parties.

Horseshoe will offer luncheons daily until 3 p.m. Dinners starting at 5 p.m. will range in price from $1.25 to $3.75. The latter is for a New York-cut steak. Cantonese dinners, unders the long-time chef Sam Park will vary from $1.25 to $2.50.

Opening night is expected to attract a turn-away crowd. Traffic control by L.G. Deputy Sheriff Hal Johnston is expected to eliminate traffic congestion. A huge searchlight will give the opening a Hollywood flavor.

While all local dignitaries have been invited to attend, there will be no speech-making, the Fetters said.

The family had left the baby sitter while they were on a family outing Sunday. The baby-sitter found the infant face down and not breathing in the master bedroom at feeding time. The sitter called the Fire Department.

Hatfield Files For Assembly 80th. District

John Hatfield, 33, North San Diego County attorney, who is seeking the nomination for the California Assembly from the 80th District filed his nominating papers last week and promises an aggressive campaign that will reach every voter in the district before the June 2 primary.

"One of my primary reasons for filing is the recent act of my opponent when he switched his support from the Republican caucus to Boss Unruh," Hatfield said. "Quite obviously, when the voters elect a Republican, they logically expect their Republican representative to support Republican principles and policies.

"Furthermore, my opponent has stated he opposes a tax increase but now he supports the one-cent sales tax increase. Ironically, he voted against the gas tax increase for accelerated road and highway construction despite the slaughter which prevails on San Diego County highways.

"It is my sincere desire to make my position clear to the electorate on issues vital to this district, this county and this this state.

Hartfield promised closer cooperation with municipal and county authorities and citizen groups on matters of importance to the 80th District as well as other county areas if he is elected.

Hartfield believes that the tax base should be broadened to reduce unjustifiable Federal and State land ownership with the object of returning these properties to tax rolls.

Widening Highway 395 from San Diego to the Riverside line and eliminate "slaughter alleys" on Highway 101 and 395 by accelerating highway planning and construction is an issue that Hartfield says he would work to corrrect.

"Money can beget money, and its offspring can beget more". (Who said it?)*

These words, written by an illustrious American in 1748, more than a quarter of a century before the signing of the Declaration of Independence, are as true today as they were then. But now the safety of your investment is guaranteed (to $10,000.00 at each Southland association)—a condition undreamed of by *Benjamin Franklin, the author of this statement.

Sixth Graders Write 'News'

Robber Gets Away In News Class Exercise

Sixth grade students of Mrs Massey's class at Mt. Vernon studying newspaper journalism were given an assignment of reporting a "hold-up" last week.

The "hold-up" was acted out by several students. Steve Franko was the "robber".

Max Goodwin, editor of the Lemon Grove Review after explaining how news stories are developed, gave the various students their parts and the "crime" was committed. Stories were written by the class based on what each student thought he saw. The story most nearly describing the activity is presented in this column. As an added bit of human interest the "robber" also did a confession, newspaper style, for the column.

Don Carlson was in charge of the program for his class. One reporter wrote:

Mt. Vernon Students Robbed
by TIM HARLOW
8558 Troy Street

A robber weighing 100 lbs. robber Marjorie Jones, age 11, of $1 at the corner of Broadway and Main Streets in Del Mar.

Marjorie Jones, with her friends Mary Caruthers and Peter Robinson, were headed for Aker's Malt Shop at 300 Main st.

Her parents are Mr. and Mrs. Tom Jones who live at 4627 Central ave., Oceanside.

The robber dumped the purse, took the money and fled. Marjorie Jones and her friends were not hurt.

The youth who took the part of the robber wrote:

"I Was a 6th Grade Con-Artist"
by STEVE FRANKO

The time was 4:30 a.m. The day was July 8, 1963. The place was Main st. in Del Mar. I'm a robber. I prefer to keep my name unknown.

I'm at Aker's Malt Shop. There are two girls down at the corner of Main st. by the school. I saw them. I know them.

One was Marjorie Jones, the other was Mary Caruthers. Mary was carrying a purse. I saw her put a new dollar bill in it. Then I was walking down to them and the next thing I had her purse and I was running!

13 Try For C.C. Board

Six directors will be elected from thirteen candidates at the annual election of board members of the L.G. Chamber of Commerce, President Sam Pernicano said this week.

The successful candidates will be announced at the monthly meeting of the board scheduled for April 7 at El Morrocco restaurant.

Listed on the ballots now being circulated among chamber members are:

Ray Brehm, a realtor; Forrest Baxter, sheet metal firm operator; Jack Cummings, bank official; Dr. Sam Smith a medical doctor; C. E. Clark, a tv sales firm operator, and Joe Payson, a flooring contractor.

Also: Arly Lowrimore, restaurateur; Mrs. K. Bennett, rest home operator; Truman Solberg, a CPA; Keith Durbin, a finance firm employe; Milt Austin, a real estate man, and Leon Bolton, a furniture store executive.

An installation banquet is planned for May 2.

Grossmont Juniors Get Letters From Renowned Persons

Letters to several Grossmont High School juniors from world famous people are on exhibit in the Grossmont Library as a result of a letter-writing assignment in the English class of George Albert. Albert urged the juniors to ask significant questions or express significant opinions in letters to people able to respond from wide experience. Answers from the Vatican, the White House, from famous writers, and from world-renouned musicians are only a few of those received.

Sandra Martelli of 4275 Avenida Gregory, Spring Valley, in her letter dated Oct. 5, addressed President Kennedy. She expressed her admiration for him, her disappointment in not having seen him when he was at State College, and asked, "Will you be traveling west again before this up-coming election? If so, or if not, are you ever planning to visit San Diego again at any time? I certainly hope so!" Dated Nov. 21, 1963, and signed by President Kennedy's special assistant, Kenneth O'Donnell, a letter responds to Sandra's question. A picture of the late President accompanied the letter.

Other students received answers from Norman Rockwell, Gov. George Wallace of Alabama and Erich Leinsdorf, conductor of the Boston Symphony.

Tropico Rezoning Killed By Sups

SAN DIEGO (CNS) — Supervisor De Graff Austin Tuesday changed his vote and killed a re-zoning on Tropico dr. of Mt. Helix without a second hearing on the subject.

Several weeks ago, the board had voted 3 to 1 to give Brock Construction R-1 zoning on a small portion of a large subdivision instead of E-1-A or estate zoning with half acre lots. The rezone would have allowed the company to build six houses instead of four in a corner of the subdivision.

Tropico dr. residents protested the zone change but did not actually sign petitions of protest until after the board had closed its hearing and the protests were thus not legally valid.

PUSH OVER — A sudden gust of wind that hit Lemon Grove Monday afternoon knocked over a tree at Dawson's Motors, 8012 Broadway. Bill Dawson, right, points out the damage to Sidney McIntosh of Osborne-Kemper-Thomas, Inc. Dawson said the gust of wind that hit about 2 p.m. also bent a sign in front of his place.A car had just been moved from where the tree fell, he said.

State Aid and Bond Election Set For April 7 by School District

The La Mesa-Spring Valley School District will conduct an election on April 7, for residents of the district to approve the continuation of the present state aid program.

The election will provide for the construction of up to five elementary schools, additions to Parkway Junior High School, a La Presa Junior High School, additions and site development to La Mesa Dale Elementary, an addition to the District Library building at the Education Center, the purchase of furniture and equipment, and the acquisition of new sites as future needs may indicate.

Dr. M. Ted Dixon, associate superintendent, pointed out at a recent board meeting that since the last successful bond election in 1958, enrollment has grown over 3,500. Presently, there are approximately 12,821 students enrolled in the ristrict. The district continues to grow at a steady pace. At the present time, there are more than 1,000 dwelling units under development. Based upon statistics, they will provide approximately 1,000 students in addition to those children under school age. Since the 1958 election, the district has constructed 111 classrooms, 12 kindergarten rooms, 5 school offices, 4 shops, 2 shower and locker rooms, 1 junior high school library, and 6 multi-use rooms.

The election measure asks authority for the Board of Education to sell bonds up to $2,900,000 and accept state aid up to $2,100,000. Dixon pointed out that the tax rates for residents in the district would not increase. According o Dixon. state law has established a ceiling tax rate for the retirement of school bonds and payments of state aid. Therefore, passage or failure of this measure will not affect the local tax rate for new facilities. In 1958, students within the District attended double sessions throughout district schools.

PROMOTED — George W. Rye was elected vice president of Central Federal Savings and Loan Association, Fred C. Stalder, president, announced.

Rye, 40, of El Cajon, is manager of the College Grove Center office of the financial institution.

Rye joined Central Federal's staff in March, 1952, was promoted to assistant vice president Jan. 1, 1957, and made a branch manager on Dec. 1, 1958.

The new vice president is a member of the San Diego Chamber of Commerce, the La Mesa Optimist Club. the American Savings and Loan Institute, and the Foothills Methodist Church.

Local Man Selected as a Delegate To Democratic National Convention

Governor Edmund G. Brown announced the appointment of a Lemon Grove man as one of ten San Diego County Democrats who will go to Atlantic City in August as delegates to the Democratic National Convention to join in nominating President Lyndon B. Johnson as the party's candidate for president.

The man is Armando M. Rodriquez, 1902 Massachusetts st.

The state delegation numbers 160. It includes Senator Clair Engle, each of the state's Democratic Constitutional officer, leaders of the Democratic club movement and other party members.

Reduction Nixed For Delrose Apts

SAN DIEGO (CNS) — The County Board of Supervisrs Tuesday followed a Planning Commission recommendation to deny the L. B. White Co. a reduction in the minimum building site area from 22,000 to 19,600 square feet for a 22-unit apartment on Delrose ave in La Presa.

The land is south of a shopping center. The commission noted that the company owns other land in the vicinity and that it could add land to bring the building lot to within the county requirement of 1,000 square feet per apartment. The area is zoned R-3, for multiple family dwelling units.

Planner Turn Down Congregational Church On Alley Closing

SAN DIEGO (CNS) — The County Planning Commission has rejected a request of the First Congregational Church of Lemon Grove for the vacation of a portion of Fisher ln., a 15-foot street that is little more than an alley.

The church had asked that the west 20 feet be closed. The church was required to grant this 20 feet before its property on Roosevelt east of Corona st. was given a conditional use permit.

Dr. Willis Miller, director of planning, told the commission that it will be difficult to widen and improve Fisher ln. but that the county should keep all of the right-of-way it presently has because Fisher could become an important connector.

The staff report says that the construction of the church further intensifies the use of Fisher ln. since the lane will furnish access to the parking area at the rear of the church according to the site development plan.

Ruth Pfister to Attend Food Service Meeting

Mrs. Ruth F. Pfister, school lunch supervisor for the Lemon Grove School District, will attend the Eleventh Annual State Conference of the California School Food Service Association, to be held in Long Beach on March 22, 23 and 24.

The organization, whose membership of over 3,000 is composed of school cafeteria supervisors, managers and personnel throughout the state, convenes each year to review new products and techniques in school feeding and to exchange ideas.

Miss S. Frances Williams, director of food services for the Long Beach School District, will serve as conference chairman, a post held by Mrs. Pfister in 1961, when Coronado was the site of the annual convention. Mrs. Pfister is a member of the executive board of the state association, serving as area representative for this section of the state.
